Subject: New information for Rozol and Kaput?
Date: Monday, May 13, 2013 10:33:00 AM

Brian,

Kaythi and I are preparing a report for FWS to comply with the reporting requirements in the BiOp for Rozol and Kaput. Part of the report asks if EPA has any new information, study results, or other relevant information regarding the proposed action and its likely effects to listed species. Do we have any such data to report?

Thanks,
Melissa and Kaythi
